EFFECTIVELY MANAGE RESISTANCE TO CHANGE
Overcome barriers to optimise change

ABOUT THE WORKSHOP

Available in a one or two day format to suit your school or network needs, this workshop is designed for school leaders who are managing change processes or projects. This workshop is designed to equip you with the skills and dispositions to effectively lead change.

As a result of this workshop you will:

- adopt a deliberate and proactive approach towards change
- develop an understanding of how people experience opportunities to change differently
- learn strategies for sustaining self and others in challenging situations
- identify, how as leaders, you can overcome barriers to optimise change.

Transformation is an institutional journey as well as a personal one. Reflection on previous situations encountered will stimulate discussion of potential management techniques. This workshop supports you to build the resilience and confidence to lead with sustained performance.

Cost for One Day Workshop:
Vic Government School $295 pp (incl GST)
Non-Government School $395 pp (incl GST)

Cost for Two Day Workshop:
Vic Government School $395 pp (incl GST)
Non-Government School $495 pp (incl GST)
